#### 11. RECORD DATE AND SHAREHOLDER'S ENTITLEMENT

- 11.1 As required under the Buyback Regulations, the Company has fixed Friday, January 01, 2021 as the Record Date for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buyback.
- 11.2 The Equity Shares to be bought back as part of the Buyback are divided into two categories:
- Reserved category for small shareholders; and
  - General category for all other shareholders.
- 11.3 As defined in Regulation 2(i)(n) of the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on Record Date, of not more than ₹2,00,000/- (Rupees Two Lakhs only).
- 11.4 In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.
- 11.5 On the basis of the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.
- 11.6 In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the small shareholder category, the Company will club together the equity shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (small shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the "Registrar") as per the shareholder records received from the depositories.
- 11.7 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.
- 11.8 The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders may also accept a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to nonparticipation of some other Eligible Shareholders, if any. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.
- 11.9 The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.
- 11.10 The Equity Shares tendered as per the entitlement by the Eligible Shareholder as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified under the SEBI Circulars. Eligible Shareholders will receive a letter of offer along with a tender/offer form indicating their respective entitlement for participating in the Buyback.
- 11.11 Eligible Shareholders will have to transfer their Equity Shares from the same demat account in which they were holding such Equity Shares as on the Record Date, and in case of multiple demat accounts, Eligible Shareholders are advised to tender the applications separately from each demat account in which they hold the Equity Shares as on the Record Date. In case of any changes in the demat account in which the Equity Shares were held as on Record Date, such Eligible Shareholders should provide sufficient proof of the same to the Registrar to the Buyback and such tendered Equity Shares may be accepted subject to appropriate verification and validation by the Registrar to the Buyback.
- 11.12 Participation in the Buyback by shareholders may trigger taxation in India and in their country of residence. The Buyback transaction would also be subject to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.
- 11.13 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the letter of offer to be sent in due course to the Eligible Shareholders.
